## ABOUT THE MILL

The Mill is a small multi-art form venue with big ambitions. Situated in the North Oxfordshire market town of Banbury, it is the focus of cultural life as the only public arts and performance venue in the Cherwell District.

Our 237-seat theatre plays host to theatre, dance, comedy, and music events which run alongside a packed creative learning and participation programme with a focus on both visual and performing arts.

Increasingly we are working outside of our building and in partnership with a wide range of organisations in Banbury and Bicester to ensure that all in our communities can experience the benefit of seeing and taking part in professionally led creative and cultural activities.

Having recently been successful in our application to become a National Portfolio Organisation for Arts Council England, the successful candidate will join our ambitious team at a hugely exciting time. This is an opportunity to play a key role to support the development of The Mill in line with Arts

Council's Let's Create strategy and secure its place as the cultural heart of the region for generations to come.

## OUR VISION & VALUES

The Mill aims to be the cultural heart of Banbury and beyond. Proudly celebrating a diverse creative programme of high-quality arts experiences; telling stories that encourage everyone in our communities to learn and take part; to have fun and be inspired.

We want to be an exemplar, vibrant, indispensable Arts Centre of which Banbury is rightly proud; relevant to the whole community through a diverse programme which celebrates both taking part in and seeing first class arts and entertainment experiences.

We are much more than just a building, we will work throughout the region to support artists to create and present the highest quality arts experiences.

Our vision is to:

- **Nurturing your creativity**  
Providing opportunities to be creative at every stage in life
- **Your venue for arts and entertainment**  
Banbury's creative hub and the home for live performance
- **Celebrating your stories**  
Exploring what connects us through culture

- **Your home for dance**

Supporting a thriving community of dance artists and audiences to shine a vibrant light on Banbury

- **Bringing creativity and culture to you**

Reaching new audiences in unexpected places

Our core values lead the organisation throughout each department, they are:

### **Trust**

- Trusting artists to do what they do best and valuing their work
- Consistently reliable and high quality; building trust with our audiences
- Taking our responsibilities seriously: to our environment, our people and communities

### **For all**

- We will nurture a tolerant, respectful and open-minded culture of acceptance where everyone can belong
- We respect choice – people with differing views and experiences are equally welcome and valued
- Inclusivity is at the heart of what we do: exploring ways to identify & remove potential barriers to access

### **Aspirational**

- Raising aspirations amongst our audiences through showcasing a world of opportunity and experiences through our programme
- Nimble in identifying opportunities to bring our vision to life

### **Vibrant**

- Bringing colour, creativity and life to the places where we live, work and play

- Whilst at times we may seek to challenge or provoke, happiness and joy are never far from what we do.
- Passionate advocates for the role of creativity and culture to transform communities

**To achieve our aims, we offer three strands of work:**
